Mega Top Unit

Food Prep Tables - Mega Top
M3 Series

Model : MST-36-15

FEATURES / BENEFITS

Cold Air Compartment
Our innovative "Cold Air Compartment" maintains temperature evenly for each pan to preserve fresh food longer. In addition, the compartment isolates pans from the reach-in area to prevent food spillage.

Stainless Steel Cabinet Construction
The Turbo Air M3 model boasts a stainless steel exterior (galvanized steel back and bottom). Interior is stainless steel floor with AL sides and back. It guarantees the utmost in cleanliness and long product life. It can add a touch of style to the most refined setting.

Convenient Cutting Board Side Rail
Our cutting board is 9 1/2" deep and 1/2" thick to provide ample working space, and is made of easy to use and sanitize LDPE (Low Density Polyethylene). The new side rail cutting board bracket makes it easy to secure and remove the cutting board and it accepts different sizes too (max. 1/2" thickness)

Hot Gas Condensate System
Through Turbo Air's creative innovation, the condensate system surfaces have been specially treated to resist corrosion. This not only increases efficiency without the risk of refrigerant leakage from corrosion, but also prevents the overflow of condensate water.

High-Density Polyurethane Insulation
The entire cabinet structure and solid doors are foamed-in-place using high density, CFC free polyurethane insulation.

Efficient Refrigeration System
M3's solid door refrigerators are designed with oversized and balanced (CFC Free R-134A) refrigeration systems. These include efficient evaporators and condensers for faster cooling and greater efficiency.

Magnetic Door Gaskets
Magnetic door gaskets are of one piece construction, removable without tools for ease of cleaning and replacement.

Adjustable, Heavy Duty, PE (Polyethylene) Coated Wire Shelves

Ergonomically Designed Doors
Customers' fatigue fades away with easy grip handles and doors that open effortlessly. These features along with self-closing doors make this the ultimate choice in customer convenience. ABS sheet door liners resist water condensation with thermal efficiency.

Refrigerator Holds 33°F ~ 39°F for the Best in Food Preservation

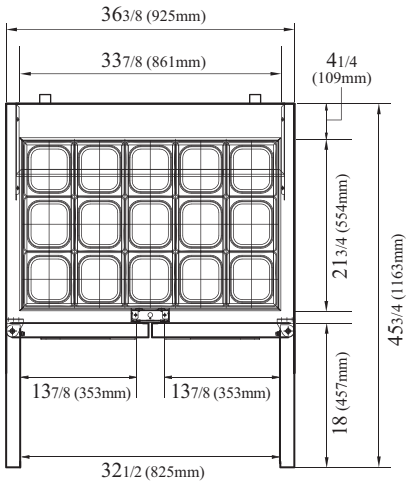
Model : MST-36-15

ELECTRICAL DATA	
Voltage	115/60/1
Plug Type	NEMA-5-15P
Full Load Amperes	5.5
Compressor HP	1/3
Cord Length ft.	9
Refrigerant	R-134A
DIMENSIONAL DATA	
Ext. Length Overall in.	36 3/8 (921mm)
Ext. Depth Overall in.*	34 (864mm)
Ext. Height Overall in.†	39 (991mm)
# of Doors	2
# of Shelves	2
# of Pans	15
Net Capacity cu. ft.	11
Gross Weight lbs.	242
Net Weight lbs.	221

Design and specifications subject to change without notice.
Actual shipping weight may differ due to extra packing materials for product protection.
* Depth does not include 3" for cutting boards and 1" for rear spacers.
† Height does not include 5-7/8" for caster height.

PLAN VIEW

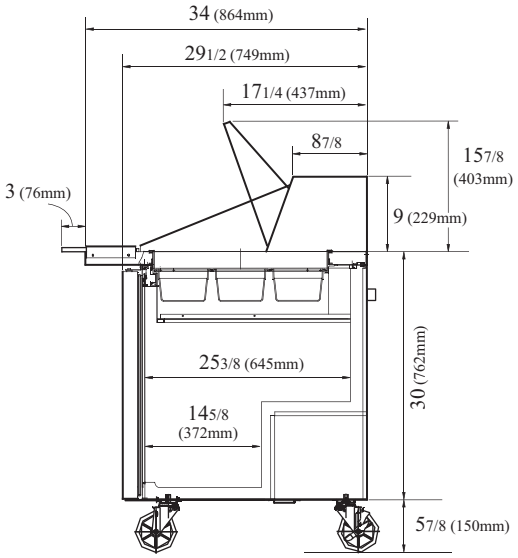
(unit : inch)



PLAN VIEW

- **WARRANTY :** 2 Year Parts and Labor Warranty
  Additional 3 Year Warranty on Compressor

- Self-Contained System
- Standard 4" Swivel Casters with Locks on the Front Set
- Standard 1/6 Size, 4" Deep Condiment Pans Included
- 9½" Deep, ½" Thick Cutting Board Included
- 2.5" Dia. Casters Available - ½" Diameter & 13 TPI (Optional)
- Legs Available for All Models (Optional)



SIDE VIEW

- **OPTIONAL ACCESSORIES :**
  - ❑ 2.5" Diameter casters
  - ❑ 5" Diameter casters
  - ❑ 6" ABS plastic legs
  - ❑ Additional stainless steel shelves
  - ❑ Additional PE coated wire shelves
  - ❑ Stainless steel double over-shelf
